

⚠️ Position available at EUPHANxt ⚠️

EUPHANxt is looking for a new, enthusiastic **Conference Manager!**

What are you expected to do?

The Conference Manager will work closely with the Coordinator in planning and overlooking activities. In case the Coordinator is not available, the Conference Manager will have the tasks and responsibilities of the EUPHANxt Coordinator. One of the key activities of the Conference Manager is to coordinate the activities related to the annual European Public Health Conference, including the submission of workshop abstracts, as well as the organisation of the social event for EUPHANxt members.

What are the overall requirements?

The candidate has to:

- Study or work within the field of public health
- Be familiar with EUPHA and EUPHANxt
- Be able to commit to the position for at least one year, preferably longer
- Be under 30 years of age.
- Be available to attend the 16th World Congress on Public Health in Rome (October 2020) (beneficial if he/she has already attended other European Public Health Conferences)
- Be open to do an internship at EUPHA office during 2020

Skills and experience:

- A team player with outstanding interpersonal skills.
- Ability to take initiative.
- Strong written and communication skills.
- Good organisational skills.
- Competent in Microsoft Office.
- Eager to learn and have a hands-on attitude.
- Willingness to strengthen and develop the network.

How to apply?

If you believe you are the perfect fit for one of these positions, please **apply!** Send a **motivational statement** (max. 300 words) and **CV** to info.euphanxt@eupha.org with the subject line 'Application for Conference Manager'.

Applications are accepted until **December 31st, midnight (00:00 CEST)**. We will not be able to accept applications after this date. Questions regarding this call can be directed to the same email address with the subject 'Question regarding the application for the EUPHANxt team'. We will do our best to provide a prompt response.

What's EUPHANxt mission?

- Create a network between young professionals interested in public health and health related fields, to advance information sharing and international collaboration.
- Strengthen the presence of young professionals in the European public health community by facilitating their contact to relevant public health professionals and by providing them with opportunities to further advance their academic skills
- Build collaborations with associations of young public health professionals to broaden the EUPHANxt network and represent the diverse aspects of public health.

EUPHANxt promotes training and education for public health students and young professionals by organising a skills building workshop at the annual European Public Health conference. And EUPHANxt sends newsletters to its subscribers on a regular basis informing them about recent news, upcoming events, projects and activities.

EUPHANxt on the go

Thank you! The 12th European Public Health Conference in Marseille was a great success and a fabulous experience. We would like to thank all the amazing EUPHANxt **Fellows** who joined us in the conference activities and all the EUPHA sections and delegates who worked with us.

We hope to see you all again in Rome next year, at the World Congress on Public Health!

Interested in genetic testing?

What's your knowledge on Direct-to-Consumer genetic testing?

As part of the current European Joint Action on Cancer iPAAC, a large initiative to develop innovative approaches to advance cancer control policies, Università Cattolica del Sacro Cuore, in collaboration with the Italian National Health Institute, has developed a survey on Direct-to-Consumer Genetic Testing. We would like to ask the EUPHANxt community about your knowledge, attitudes and behaviour towards DTC-GT.
